Saturday 14th Begins with fine & pleasant, the wind
from the S. S. E. steering N. N. W. with all sail set,
the middle & latter end with light winds and a thick fog
saw a number of sails steering all ways, Lat 40.46
Long 72.31

Sunday 15th Begins with fine pleasant breeze from the
S. W. steering S. W. the watch employed stowing away
things and washing decks and other duties, sounded
a number of times but got no bottom, at 12 midnight
sounded and got bottom for the first time 70 fathoms
the latter part very squally, the wind shifted round
to the S. E. & blew very heavy double reefed topsails & on
and aft and send of show, no observation this day

Monday 16th Begins with strong gale from the
S. E. heading of 8 on shore but winds gave us at 2 feet
& when we got on shore at 7 P. M. sounded & got bottom
Cannon bottom, heading of shore so under the first part
saw a number of sail, the latter part more moderate
the fog is as thick as tea, sounded at 7.9 M. got no bottom
no observation this day. Able Seely.

Remarks On Board Ship Meteor April 1852

Tuesday 17th These twenty four hours begin with light winds & foggy laying too under short sail waiting for clear weather. Sounded at 4 P.M. no bottom, nothing seen on or board the ship. at 7 P.M. the fog lifted up, the wind blowing from the S. E., moderately so ends the first part, the middle & latter part light air from the South, Spike the schooner Diana of Pittmouth from Cape Henry bottom & bottom

Lat by Obs 38° 49' Long by reck 73° 50'

Wednesday 18th Begins with light winds and a thick fog, laying off & on. I pray that we may have clear weather so as we can get in, if it is not clear in a hour with us never shall get in, the middle & latter part strong gale from the S. S. E., heading of 8 on shore, hard times cold enough to freeze the Devil & all his imp.

Thursday 19th Begins with hard times, heavy down & dra, and John's top wharfe, strong gale of wind, & a thick fog, at 4 P.M. Spike the bark Elizabeth of S. Block, with 12 Bbls of Oil. So ends the first part, the latter made sail heading E by N. & sails in sight at 11 & 12 Lat by Obs — — — 38° 40'

Friday 20th Begins with light from the N. heading E by N. with all drawing sail set, clear weather at 11 P.M. So ends the first part the middle & latter part fresh breeze from the N. Lat by Obs 38° 34' Long by reck 74° 10'

Saturday 21st Begins with fresh breeze from the N. N. W. heading N. E. with 12 top gallant set, a number of sails in sight heading to the westward, so ends the first part, the middle & latter part clear as a bell, the wind hauled round to the west, steering a course N. some hopes yet, at day light set stowing sails going of a good fog, spin up our old riddle for the wind hauled round & haul again, Lat 39° 44' Long 74° 00'

Remarks on Passage Home from the South Atlantic

Sunday 22^d These 24 hours begin with fine weather
 & a fair breeze Steering N N W with all sail set
 land the last lower, filled the bed for the last
 time of hope. Spoke the Glenlochy of Glasgow bound
 from N York to the West Indies, the middle part being
 breezes from the S W steering N N W going 7 knots
 good, at 10 1/2 o'clock bore the ship to wind the head yards
 aback, sounded 35 & 40 fathoms of water, thought that we
 was in the mud hole, & could not see any light, & only
 15 miles from land, the latter part the wing hauls
 round to the S W & then made all sail & went to
 beating In the morning no land in sight yet now
 what do you think about the mud hole, A M 1873

Death.

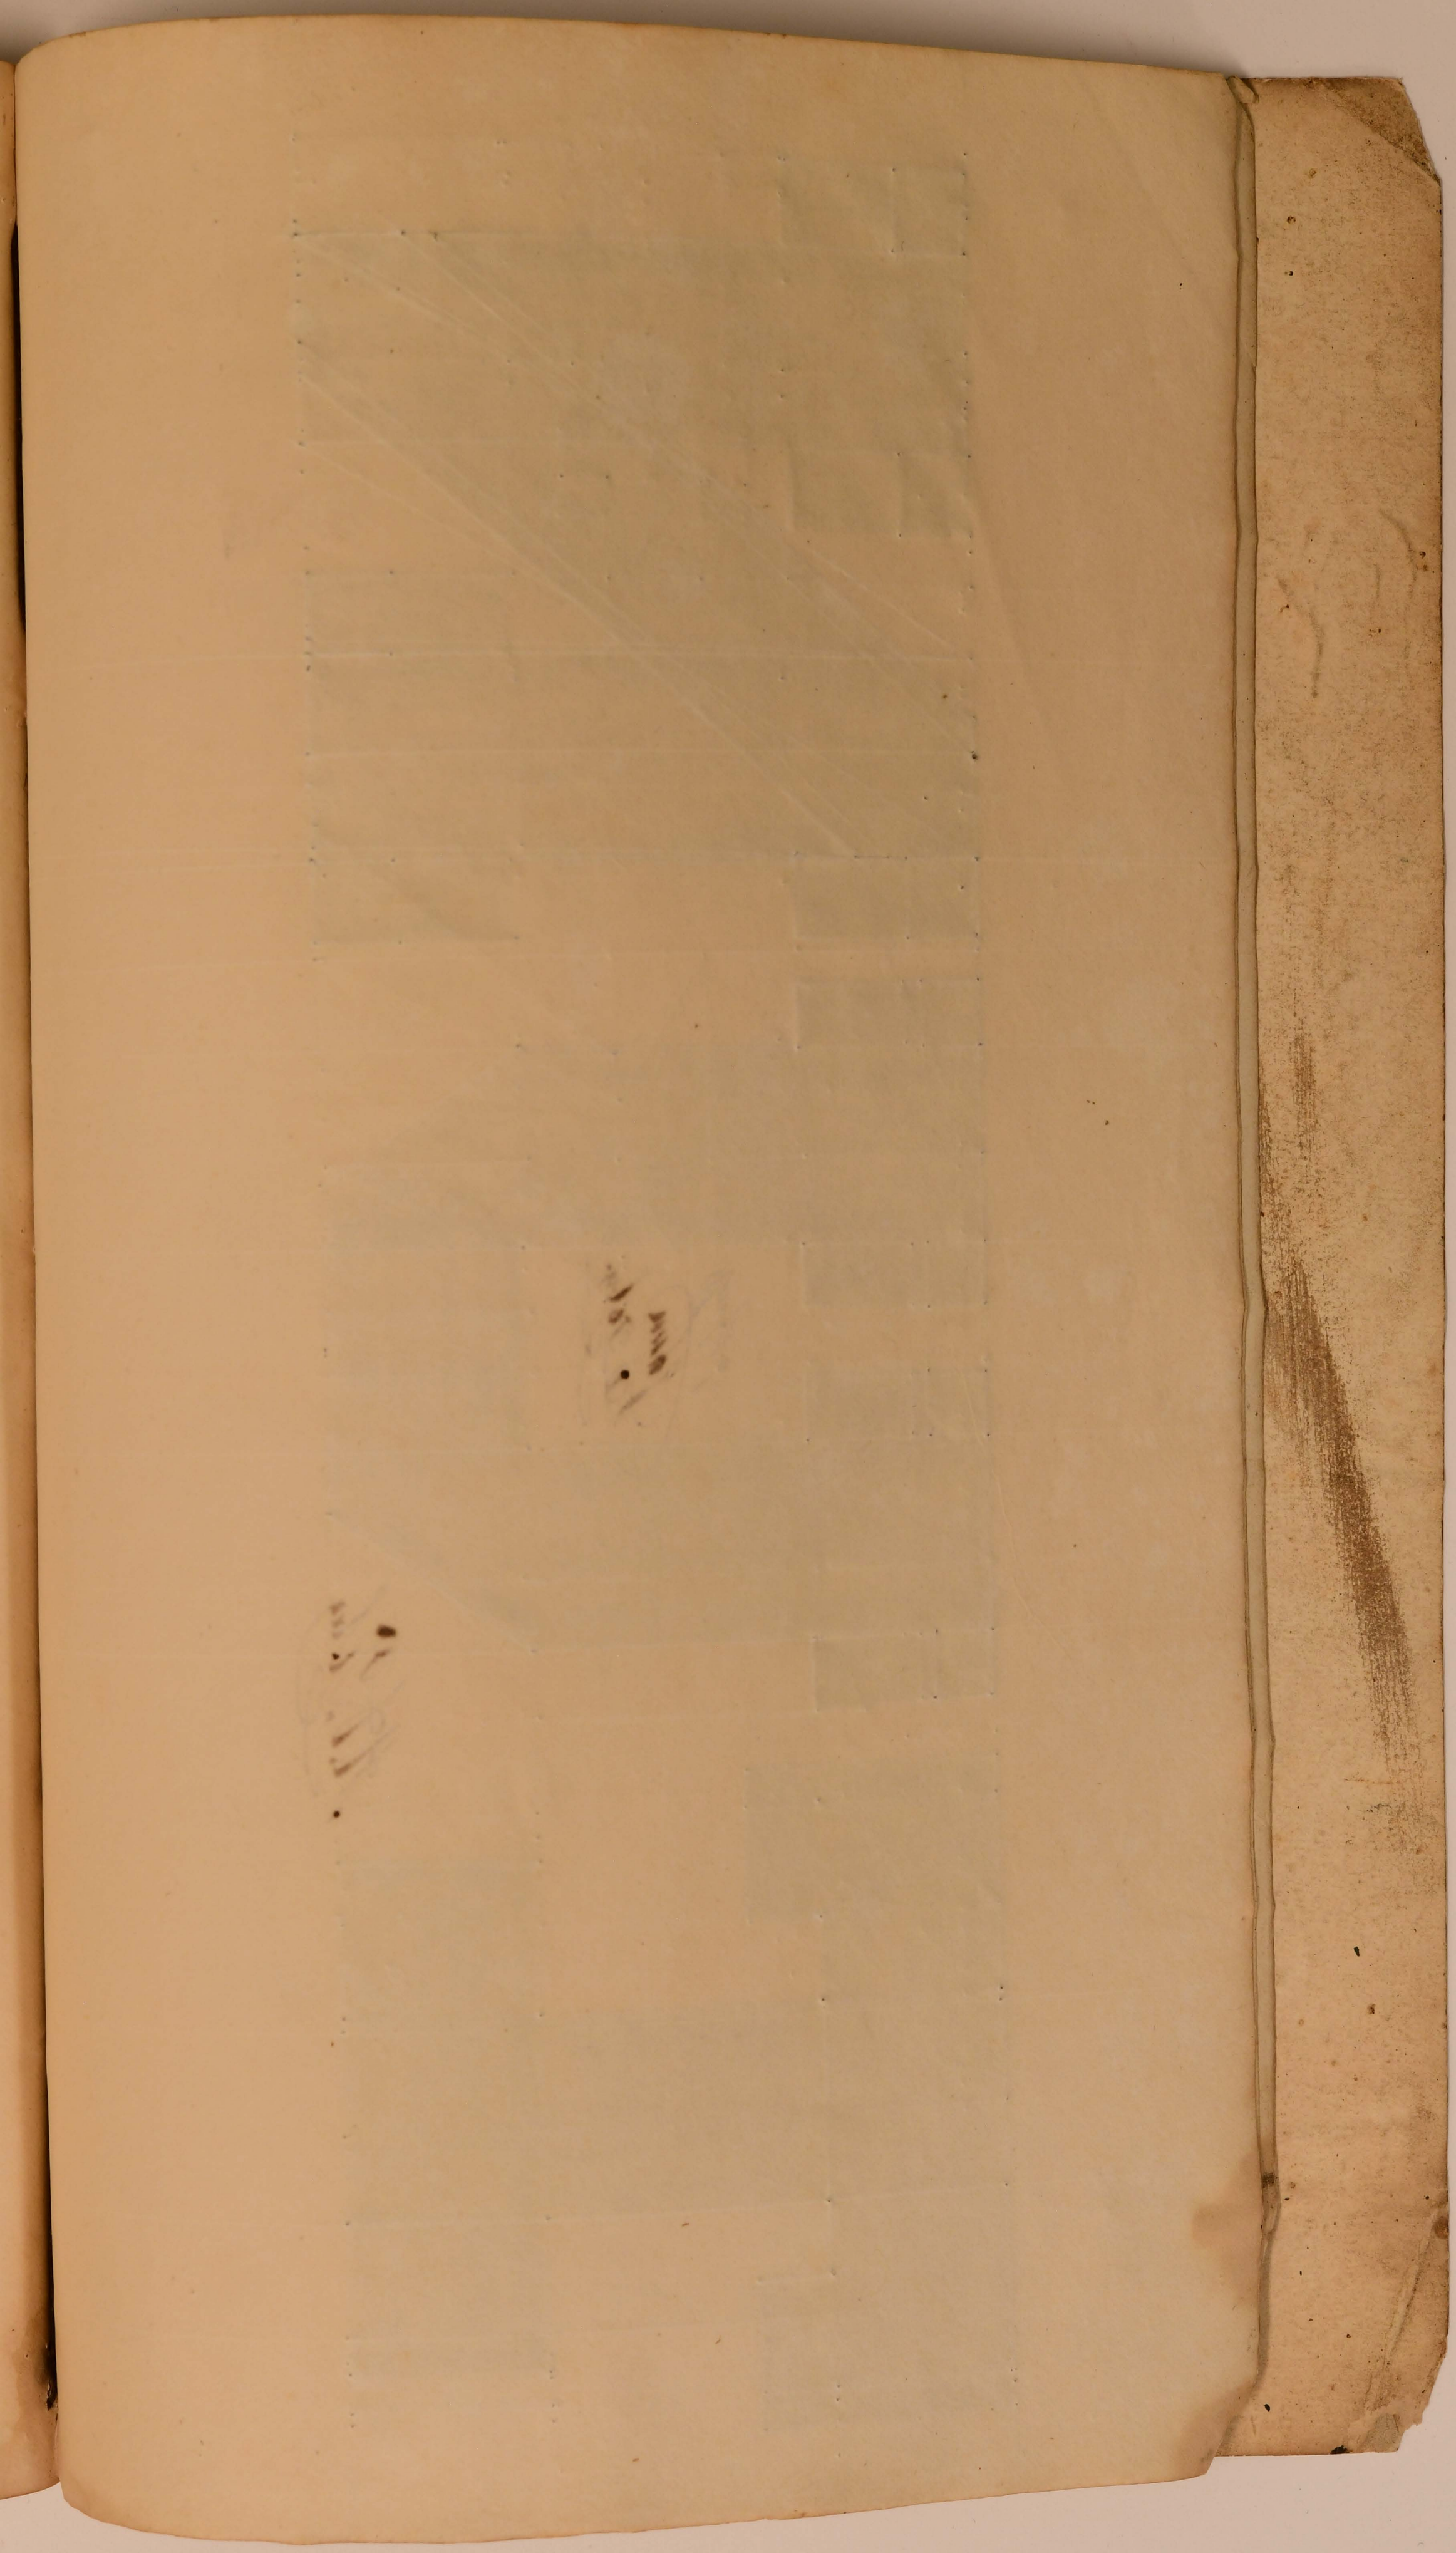

Lift high the curtains drooping fold
O not let the evening sun light in
I would not shew my fears great cold.

Before its better years begin
Tis well as such an holy hour,
So calm and pure - a sinking ray

1840

Left for the mountains this morn. 10 AM
The weather was very fine and the
country was very beautiful. We
went to the top of the mountain
and saw a very fine view of the
country.

J. P. P. P.*

Nautical Courtesy
From Captain B. To Mrs L.

Dear Madam, I have the honor to receive of you
a copy of your letter of the 14th inst.
in relation to the purchase of a new
But I am not able to comply with your request.

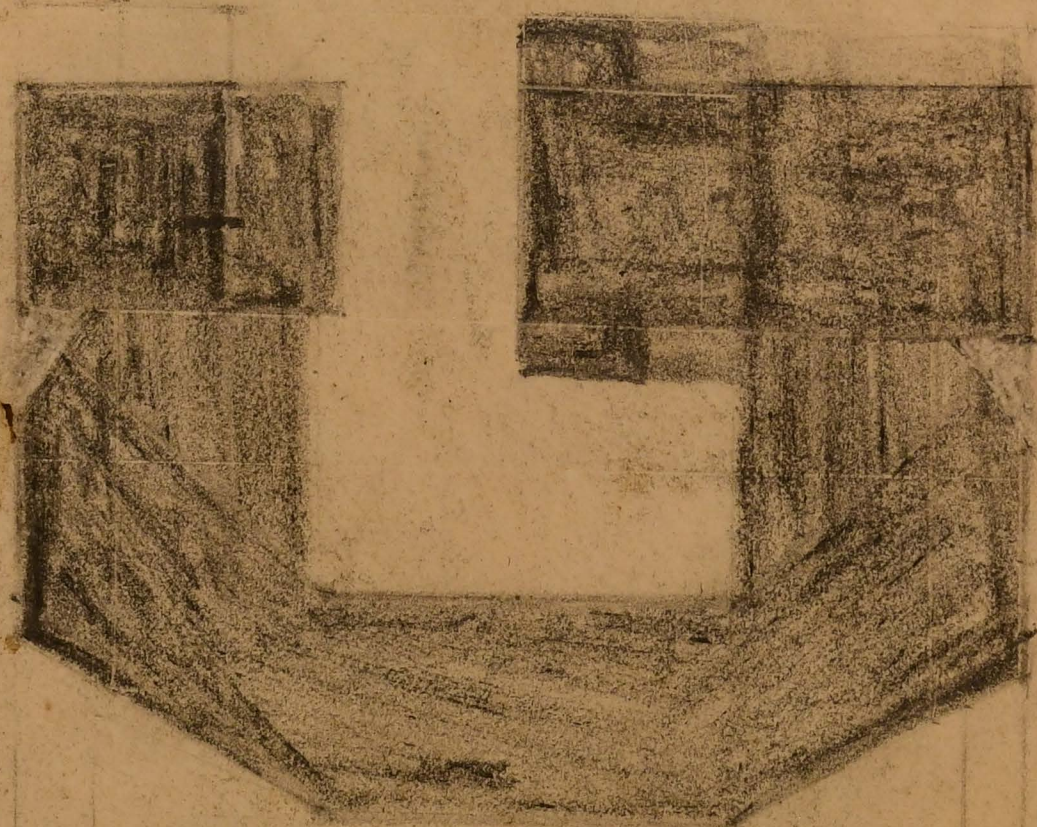

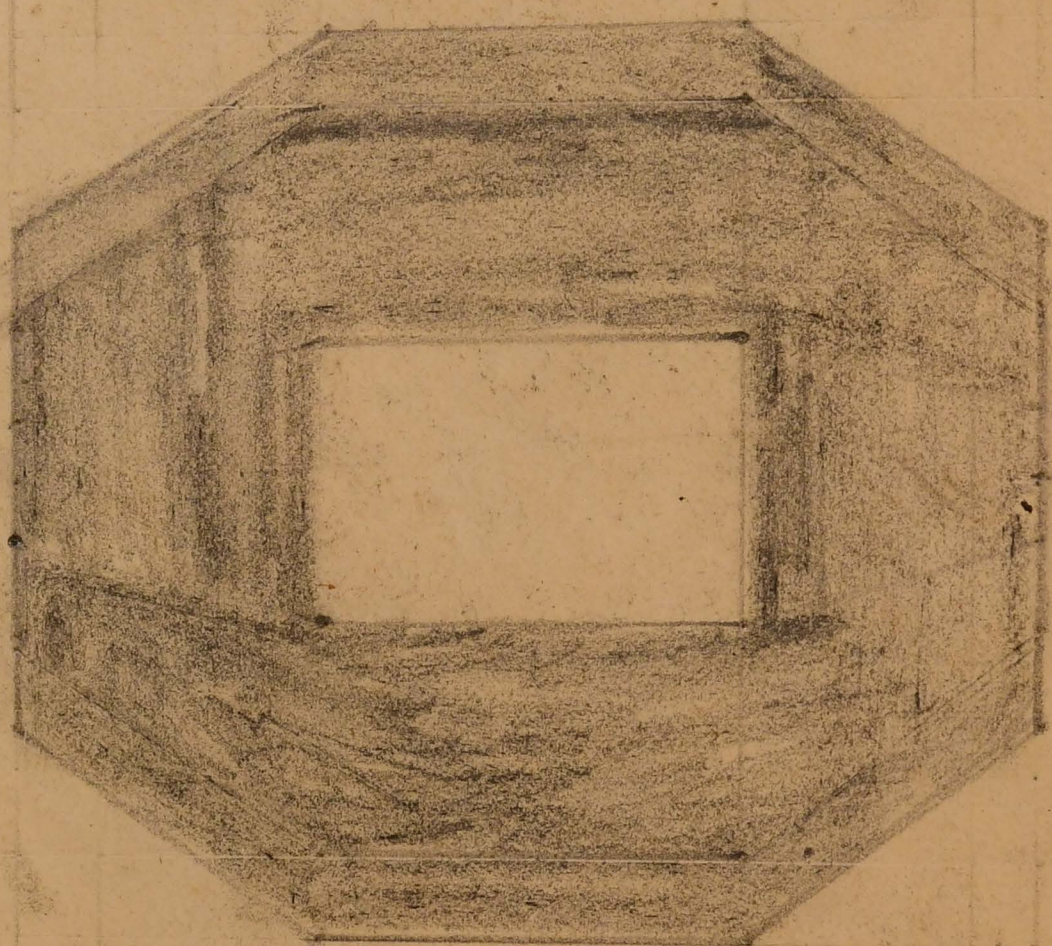

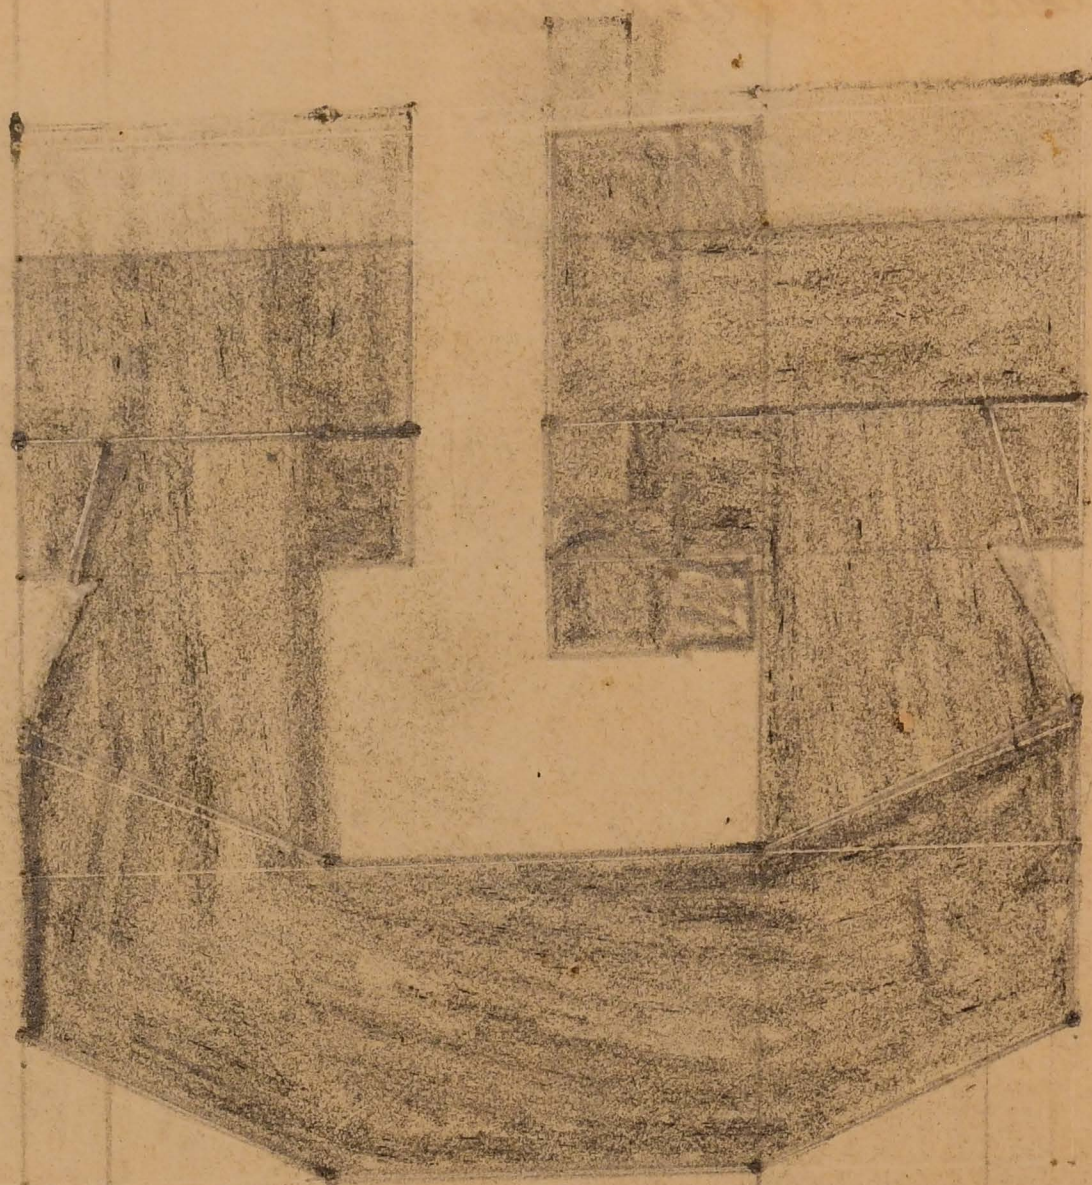

It is true that I have a few
left on hand, but they are all
of the old pattern, and I have
no more of the new one.

I am sorry to hear that you are
in want of a new one, and I
am sure that you will be
satisfied with the one I have.

I am sure that you will be
satisfied with the one I have.
I am sure that you will be
satisfied with the one I have.

I am sure that you will be
satisfied with the one I have.
I am sure that you will be
satisfied with the one I have.

I am sure that you will be
satisfied with the one I have.
I am sure that you will be
satisfied with the one I have.

Wm. M. Smith
